On 15 July 1979, the first shipments of deactivated locomotives were sent to Poland. Trains of locomotives consisted of 5 deactivated locomotives and 5 empty gondola cars alternating with each other. The locomotives are sent via Nerka to Kehlfurt. It was learned that a total of about 200 deactivated locomotives were scheduled to be sent to Poland.

2. As reported previously, the chief of the Main Administration for Locomotives and Machinery travelled to Warsaw in 1955. The visit was made in order to discuss an exchange of locomotives between Poland and the GDR. It is planned to send 300 Polish locomotives to the GDR by way, to Poland in exchange for 24 usable German locomotives and rail coach.
